Breast Cancer Symposium [1]

2014 Breast Cancer Symposium - News for Patients

The 2014 Breast Cancer Symposium will be held September 4-6, 2014, in San Francisco, California. For detailed information on patient advocate registration visit http://breastcasym.org/ [2]. To view research abstracts from past meetings, visit www.asco.org/abstracts [3]. For additional information or questions about the Breast Cancer Symposium, email patientadvocates@asco.org [4].

At this symposium, 13 recipients of the Conquer Cancer Foundation of ASCO Merit Awards in Breast Cancer will be honored. These young researchers are working to improve the care of people living with cancer around the world. Read more about the recipients and their areas of research (PDF). [5]
