[HIV and AIDS-Related Cancer - Additional Resources](#) [1]

This section has been reviewed and approved by the [Cancer.Net Editorial Board](#) [2], 01/2016

ON THIS PAGE: You will find some helpful links to other areas of Cancer.Net that provide information about cancer care and treatment. This is the final page of Cancer.Net's Guide to HIV/AIDS-Related Cancer. To go back and review other pages, use the menu.

Cancer.Net includes many other sections about the medical and emotional aspects of cancer, both for the person diagnosed and their family members and friends. This website is meant to be a resource for you and your loved ones from the time of diagnosis, through treatment, and beyond.

Beyond this guide, here are a few links to help you explore other parts of Cancer.Net:

- [Search for a cancer specialist in your local area using this free database of doctors from the American Society of Clinical Oncology](#) [3].
- [Review dictionary articles to help understand medical phrases and terms used in cancer care and treatment.](#) [4]
- [Read more about the first steps to take when you are diagnosed with cancer.](#) [5]
- [Find out more about clinical trials as a treatment option](#) [6].

- [Get information about managing the financial cost of cancer care](#) [7].
- [Learn more about coping with the emotions that cancer can bring, including those within a family or a relationship.](#) [8]
- [Find a national, not-for-profit advocacy organization that may offer additional information, services, and support for people with this type of cancer](#) [9].
- [Explore what to do when you finish active treatment](#) [10].
- [To find a range of information and insights from different voices on timely cancer topics, visit the Cancer.Net Blog](#) [11].

This is the end of Cancer.Net's Guide to HIV/AIDS-Related Cancer. Use the menu to select another section to continue reading this guide.
