## **Events and Educational Opportunities** [1]

There are many events held as part of and in conjunction with the ASCO Annual Meeting each year. Below are some specific opportunities for patients held in conjunction with the 2014 ASCO Annual Meeting. Information about next year's meeting program or other happenings for patients/advocates at the 2015 ASCO Annual Meeting will be posted as they become available here on Cancer.Net, with other meeting information/events information available on the meeting's website at <http://am.asco.org>[2].

### **2014 Patient Advocate Webcast**

Each year, patients, survivors, caregivers, and patient advocates are invited to participate in a free educational webcast upon the release of many of the meeting's scientific abstracts. During the 2014 special preview of the ASCO Annual Meeting, individuals heard directly from ASCO leaders about major research news that was presented at the meeting on the latest advances in cancer care, treatment, and survivorship. The 2014 webcast was held at 5pm Eastern Time on May 14, and a recording with slides of that presentation can be found [here](#)[3]. Questions? Contact [patientadvocates@asco.org](mailto:patientadvocates@asco.org)[4].

### **Virtual Meeting**

Unable to attend this year's ASCO Annual Meeting? You may want to consider a subscription to Virtual Meeting. This product is for people who do not attend the meeting and would like access to the meeting presentations (audio, video, and slides). A discounted rate is available for patients, survivors, caregivers, and advocates, so please contact [patientadvocates@asco.org](mailto:patientadvocates@asco.org) [5] if you are interested in purchasing the Virtual Meeting.

For information on programs for patient advocates, please visit [Patient Advocate Programs at the ASCO Annual Meeting](#) [6] or contact [patientadvocates@asco.org](mailto:patientadvocates@asco.org) [5].
